Re: Revised Reading Schedule and Change of Ending Date

Dear Friends in Christ,

Our journey—a good word for *Genesis!*—has taken us through the *sovereign call of God* and, after this Sunday, the *embraced call of God*. I'm looking forward to being with you for the remaining sessions as we see what God is up to with Abraham, Israel, Jacob and Joseph—and Sarah, Rachel and Potiphar's wife, too!

Below you'll find a revised schedule for the readings and class dates. To better cover the material, I've added an extra session on Sunday, November 23, at 3:00 p.m. The other meetings will remain at 4:00 p.m., unless there is a groundswell of popular support for the earlier hour. If that would be better for you, we can talk about it at the next meeting.

On the road to the Promised Land,
