**O**peration Inasmuch (OIAM) mobilizes believers in a proven, hands-on local church missions blitz in their community. It offers a proven model of local ministry for any size congregation in any location. 2012 will be FBC's third year to join this growing movement of churches around the nation and in Great Britain, too, in "hands on" outside-the-walls ministry with these objectives:

1. Obedience to the biblical mandate and example of Jesus for the people of God to demonstrate God's love to all people;
  2. Demonstrate sincere, Christ-like concern for all people, especially the poor and disadvantaged, through the local church;
  3. Build relationships between people inside and outside the church;
  4. Increase our awareness of the needs of people in our community; and,
  5. See people come to know the love of Christ.
